Our Impact 2019

Education
Employment
Healthy Living

4,737 people worked with us to improve educational outcomes for their children or students.

474 people developed job skills, completed internships, or obtained competitive employment.

1,645 people partnered with us for the supports and opportunities they need for healthy living.

In total, Starbridge served more than 10,600 people during 2019.

Our Employment Services grew by 15%, connecting more job seekers with the training and experience needed to get jobs.

Our Fiscal Intermediary service grew by 20% during 2019. As the first agency to provide this service in the Finger Lakes region, we empower people with disabilities to direct their own lives every day.

Our Parent Center supported families and educators across NYS to advocate, collaborate, and meet students’ needs.

Our Family Outreach in Allegany & Cattaraugus counties reached 10 times the number we reached in 2018, offering fun events for the whole family—and connecting parents and caregivers to a network of supports for their children.

Our Program Services grew by 15%, connecting more job seekers with the training and experience needed to get jobs.

Our Parent Center supported families and educators across NYS to advocate, collaborate, and meet students’ needs.

Our Fiscal Intermediary service grew by 20% during 2019. As the first agency to provide this service in the Finger Lakes region, we empower people with disabilities to direct their own lives every day.
